Mr C Thomas

July 15, 2015

Dear Team Manager/Country Representative,

The Games in Mar del Plata are now just six weeks away. I wanted to update you as to how you will pay the registration and associated fees for your team members.

As you know the registration deadline is July 23 and you will then receive two invoices as follows:

- **The LOC will invoice you for your team members' registration package which includes sports, accommodation, transfers and meals**
- **The WTGF will invoice you for the compulsory repatriation insurance and the Federation's capitation fee.**
- Please note the repatriation fee is a major benefit for all participants and gives you peace of mind that your health care will be looked after at these games.
- The capitation fee helps us to operate our small office and is the only funding the Federation receives beyond the games hosting fees.

A breakdown of the fees to be paid is as follows:

Category	To be Paid to LOC	To be Paid to WTGF
Full Registration for <b>Adult Athletes or Supporters</b>	\$US990	\$US110
Full Registration for <b>Junior Athletes or Supporters aged 4-17</b>	\$US790	\$US110
Full Registration for <b>Junior Athletes or Supporters aged 0-3</b>	Nil	Nil
Non Accommodation/Food Registration for <b>Adult Athletes or Supporters</b>	\$US490	\$US110
Non Accommodation/Food Registration for <b>Junior Athletes or Supporters aged 4-17</b>	\$US390	\$US110
Non Accommodation/Food Registration for <b>Junior Athletes or Supporters aged 0-3</b>	Nil	Nil
Council Members (registered as part of a country team)	Nil - To be Paid by LOC	Nil - To be Paid by WTGF
One Free Child Per Country	Nil - To be Paid by LOC	Nil - To be Paid by WTGF

The LOC will advise you how to pay its registration fees.

Based on the numbers attending the Games from each country as notified by the LOC on July 23 the WTGF will issue an invoice with payment made via bank transfer in the same way countries pay their biennial subscription.

Please note that failure to pay these fees prior to **Friday, August 7**, may mean that your team may not be able to participate in the Games. Please bear in mind that these payments will be subject to the Cancellation Policy.

If you have any queries regarding these fees please contact the LOC in relation to the registration fee or our office ([wtgf@wtgf.org](mailto:wtgf@wtgf.org)) in relation to the repatriation or capitation fees.

Everyone on Council looks forward to welcoming you to these Games and they become part of the rich history that is, the World Transplant Games.

Kind regards

Chris Thomas  
Treasurer, WTGF
